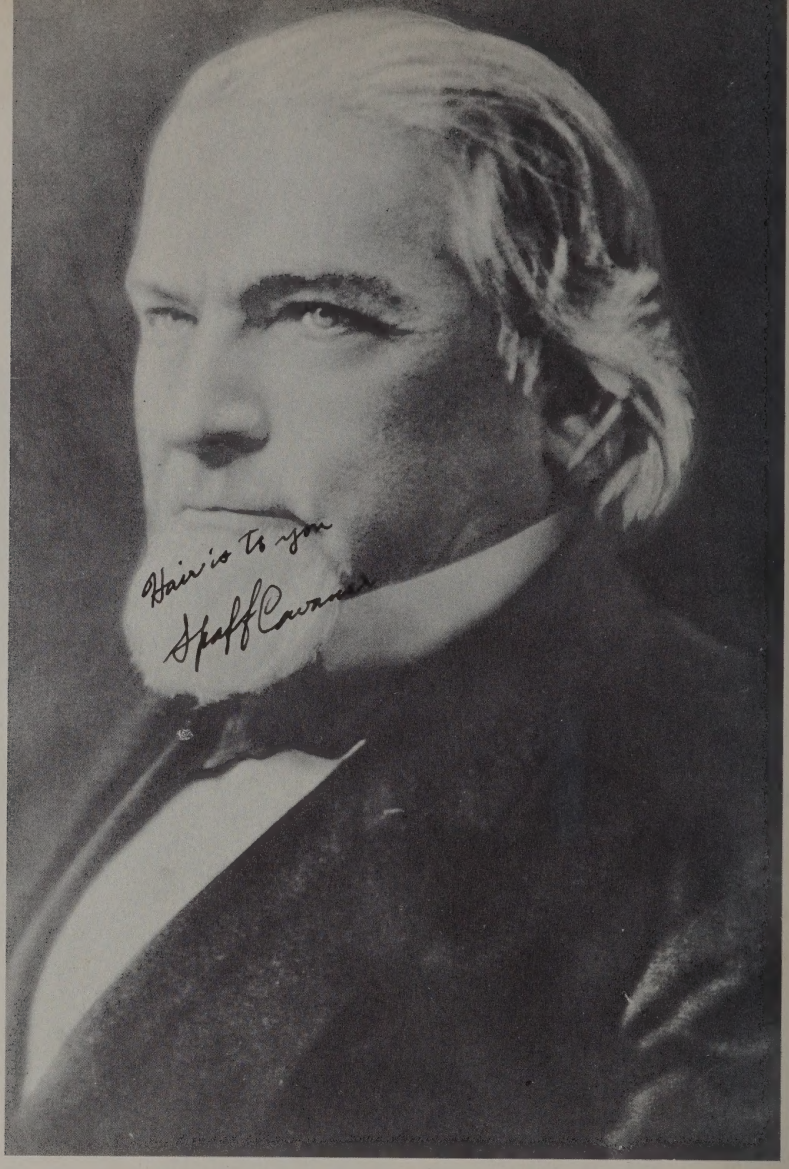
PRESENTS THE

WAHIAN

FOR 1937

VOLUME X



DEDICATION

◆ A true "Miller," who started the Mill wheels rolling; a man of vision, endurance, foresight, strength, and will; a man who deprived no one of the staff of life, who cared for his crop with gentleness, courtesy, fidelity, dignity, and generosity, to reap a golden harvest—we proudly, but humbly dedicate this The Wa-Hi-An, depicting our 1937 progress to Cadwallader Condon Washburn.

OFFICE ADMINISTRATION

A high school career brings a student many problems. To assist in the solution of these difficulties, which are so important to success or failure in high school, Washburn is fortunate in having an office staff which is able to advise without being dictatorial, giving us the best guidance possible toward any goal which we may have selected. Miss Christensen is in charge of the girls' vocational and educational interests, and Mr. Wells holds the title of boys' adviser. Mr. Fleenor, assistant principal, is our comptroller of the currency, giving the business managers of our school assistance in keeping their accounts in order. Behind our entire school organization, the final authority in all of our school matters, is our principal, Mr. A. E. MacQuarrie.

HOME ROOMS

◆ The home room plays a most important part in the daily routine of school life. It should not be looked upon as a matter of convenience, but as a vital need of the high school. It serves as a builder of friendships and as an escape from the regimentation of the regular class period. All students are enrolled in home rooms upon entering Washburn, and each room is under the guidance and supervision of a member of the faculty. This relationship between teachers and students brings about a better understanding of school curriculum and activities. Although boys and girls are in separate home rooms until the twelfth grades, they work together in promoting school functions. Special programs are under the supervision of officers chosen by members of the class at the beginning of each term. Each room has its own special programs. Things are changed somewhat in the twelfth grades. As seniors, the groups meet in one or two study halls, depending on the size of the class. Here each entire class functions as a single group. The "A" seniors meet in the school auditorium where their time is spent largely in arranging banquet, baccalaureate, class day, class play, and commencement committees and carrying on necessary class business. The 11A, 12B, and 12A classes each have a social gathering per semester, the mixer. Songs, dancing and a gay time bring them out from behind their books to meet members of their own class socially.

◆ This year the June Class presented a Shakespearean drama for the first time in Washburn.. A splendid and appropriate cast insured a finished production of the well-known drama, "The Taming of the Shrew." The play was very pleasing with its comedy and costuming.

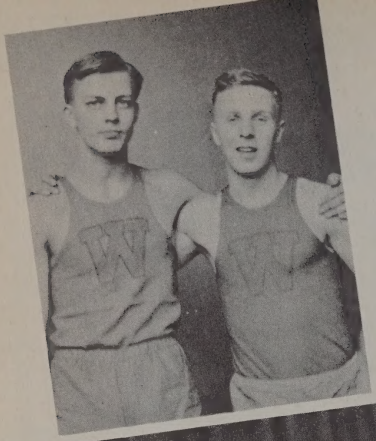
ATHLETICS



ATHLETIC BOARD

◆ The foremost duty of this group is to set the standards for letter requirements and to pass on these awards. The entire personnel is composed of the coaches and the captains of teams. Athletic groups in Washburn all have an equal representation. The interesting highlight of the Board's activity is the important part students play in determining the Miller letter winners.

◆ *Top Row*—Lindow, Hohler, Mr. Dillner, Hirsch, Mr. Halley, Fewel. ◆ *Second Row*—Mr. Ross, Mr. Alwin, Mr. Martin, Arnold, Mr. Lee. ◆ *Bottom Row*—King, Mr. Wells, Mr. MacQuarrie, Mr. Fleenor, Mr. Larsen, Hopley.

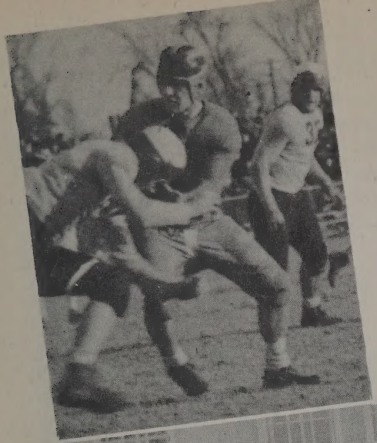
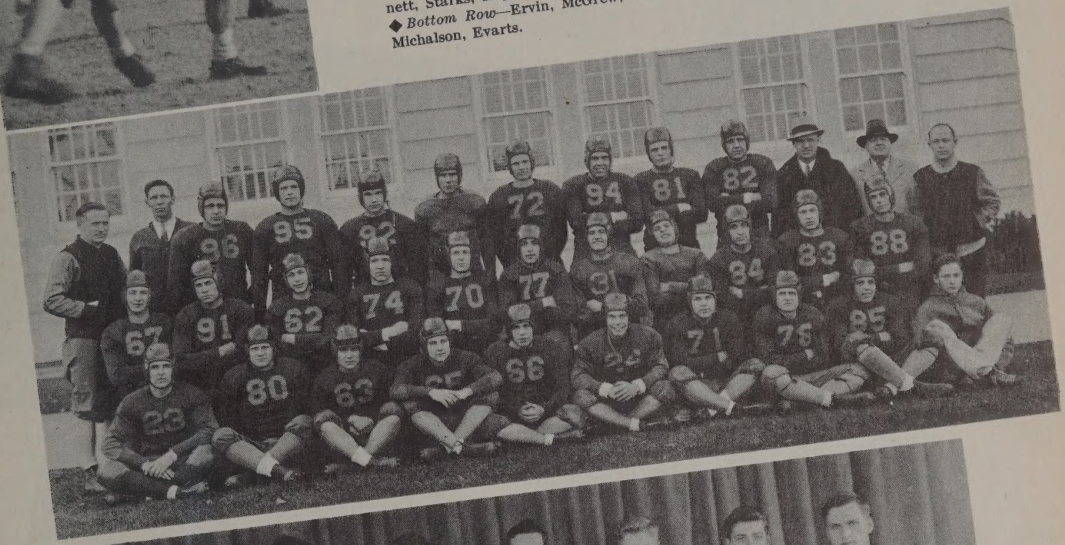
◆ Comprised of boys who have won a Washburn "W," this group has a semi-annual banquet as its main function. Athletes and their fathers attend, together with the coaches, to participate in an enjoyable entertainment and to announce the letter winners for the year. The records made by teams are discussed, and the meeting is climaxed by an address by some athlete.

BOYS' "W" CLUB

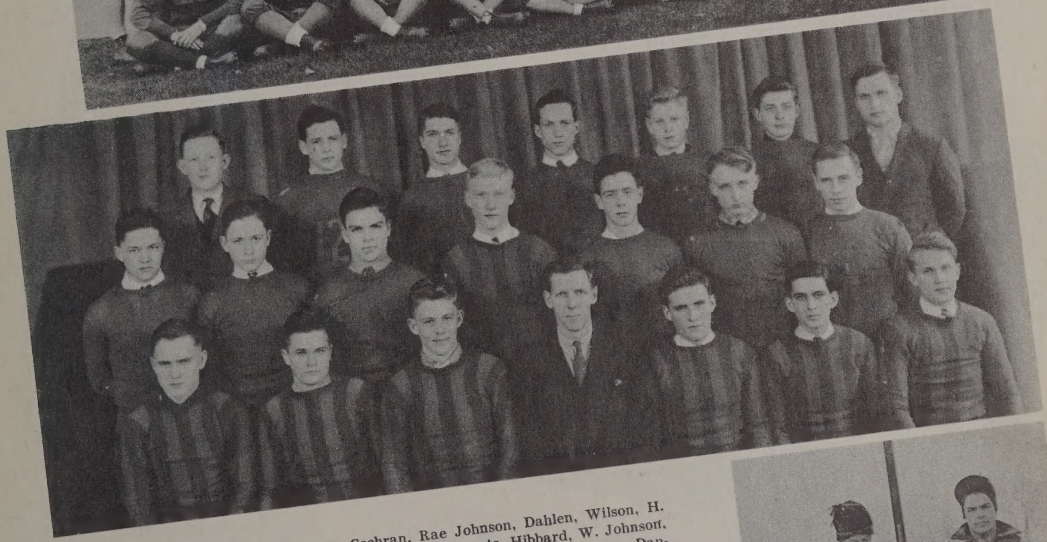


FOOTBALL

◆ Despite a record of six losses and one victory, Washburn can look back upon its past season with considerable pride. In addition to the smashing victory over Marshall, they held South's Champions to three hard-earned touchdowns. Twice they lost by a lone point, and the West game duplicated the score of the year before, but with West receiving the victory.



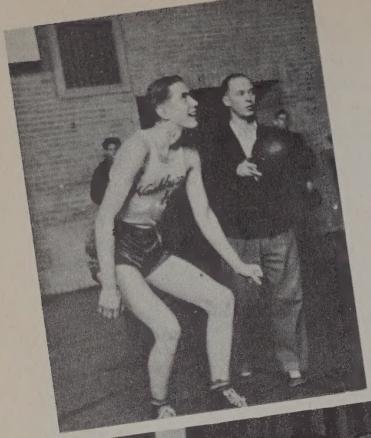
◆ *Top Row*—Wells, Dillner, H. Straiton, Linderberg, Bowen, Conrad, Burmaster, C. Olson, Friedl, King, Halley, Fleenor, Ross. ◆ *Second Row*—Gould, Cadwalader, Barnett, Starks, Hopley, J. Rotsch, Lindsay, Hegna, H. Rotsch, MacAloon, R. Straiton. ◆ *Bottom Row*—Ervin, McGrew, Lindstedt, Kintz, Cravens, Glover, Hibbard, Lewis, Michalson, Evarts.



◆ *Top Row*—Savory, Manager; Bell, D. Cochran, Rae Johnson, Dahlen, Wilson, H. Cochran, Assistant Manager. ◆ *Second Row*—Conover, Evarts, Hibbard, W. Johnson, Duerr, Rose, McDonald. ◆ *Bottom Row*—Lindstedt, Starks, Leckie, Mr. Dillner, Daniels, Arnold, Gustafson.

◆ Displaying excellent form, the hockey team was easily able to capture the city championship. Although they were forced to start the schedule with virtually no practice, they succeeded in establishing the fine record of four wins, one defeat, and one tie. Several members of the team were placed on all-city teams, and the season can be counted in every way a triumphant one.

HOCKEY

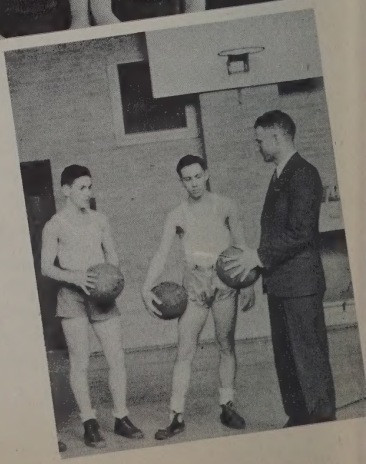


BASKETBALL—FIRST SQUAD

◆ In addition to having only two lettermen, Washburn was further handicapped by sickness and graduation. However, the team was a factor in the city race and was able to give to the first teams some close battles. One of the most thrilling games of the season was the Millers' loss to North in the final three seconds. The season's record was two victories and five defeats.

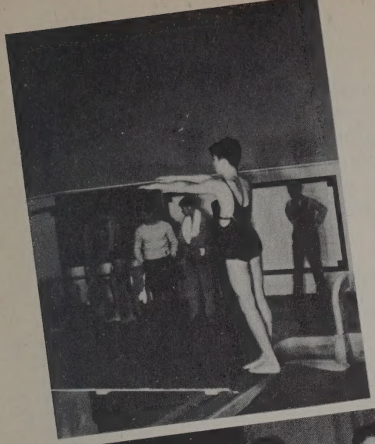
◆ Mr. Ross, Lindsay, Munyon, Christensen, Wetherbee, King, Captain; Cravens, Greathouse, Westoff, Peterson, Dahlstrom.

◆ *Top Row*—Gilkey, Gale, Moore, Sexton, Parker, Gebhardt, Mr. Halley. ◆ *Second Row*—Johnson, Fleenor, Lord, Biesanz, Mills, Hawkins, Dahl. ◆ *Bottom Row*—Carlson, Wheaton, Leonard, Straiton, Boright, Struble, Punch. *Not in the Picture*—Matschke, Shapiro.



◆ The purpose of this team is to prepare athletes for service with the first squad and to teach them basketball fundamentals. Their heavy schedule included the second squads and reserves of other high schools and provided experience for the team members. Their record has always been an excellent one, and this year they succeeded in winning nine games and losing only three.

BASKETBALL—SECOND SQUAD



SWIMMING

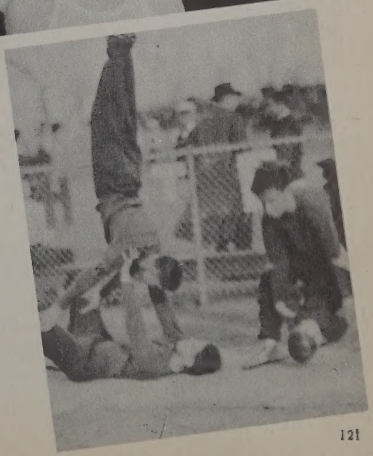
◆ A great season! Again Washburn was an important threat in the championship race, finishing in second place, defeated only by West. All of the six victories were won decisively and bore out the Millers' superiority over a great majority of the other squads. Several of the swimmers rated among the best in the city and did much in establishing the splendid record.

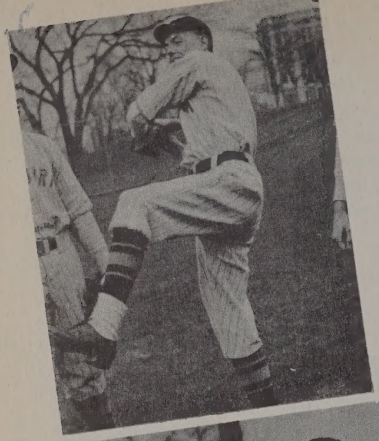
◆ Adams, Syme, Eustis, Warner, Lindow, Captain; Braddock, Hyland, Eveland, Habata, Anderson, Mr. Lee, Steward, Manager.

◆ *Top Row*—Duerr, P. Olson, Rose, Hibbard. ◆ *Second Row*—Bowen, Friden, Eveland.
◆ *Bottom Row*—Fewel, Captain; Mr. Larson, Estensen, Carter.

◆ Every year has found this group coming closer to the top in their respective sport. Entering in all tournaments has increased their experience and placed them on a very high rank with other teams. However, this has not been done without a maximum of work. At least an hour a day must be spent in acquiring the necessary skill and the mastery of fundamentals.

TUMBLING TEAM

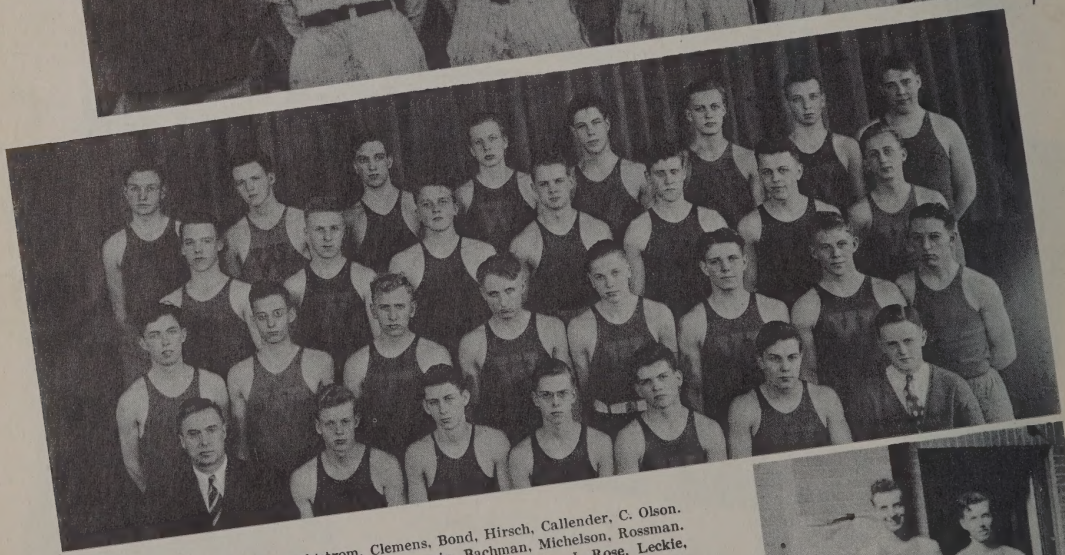




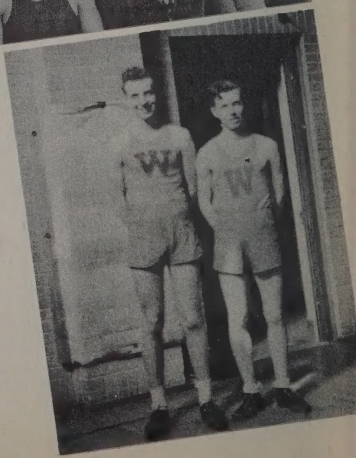
BASEBALL

◆ The popularity of baseball is returning at Washburn as well as in the other high schools. In the past few years a full schedule has been arranged, and the schools have concentrated on developing strong teams. Frequently, the Millers have been favorites in the city league, and this year with a number of experienced veterans they are expected to be near the top again.

◆ *Top Row*—Westhoff, King, Gronseth, Peterson, Munyon, Condit, Manager. ◆ *Second Row* — Hohler, Barnett, Brown, Wheaton, Wetherbee. ◆ *Bottom Row* — Mr. Ross, Obrecht, Hawkins, Wallace, Andre, Nightingale.

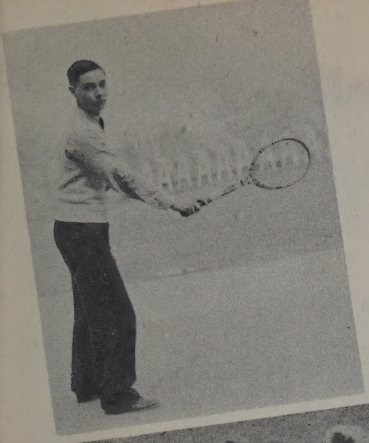


◆ *Top Row*—Rosell, Lapham, Dahlstrom, Clemens, Bond, Hirsch, Callender, C. Olson. ◆ *Third Row*—Halvorson, Hopley, P. Olson, Marwin, Bachman, Michelson, Rossman. ◆ *Second Row*—Hawkland, Cowie, Joubert, H. Rose, Perschmann, J. Rose, Leckie, Kucera. ◆ *Bottom Row*—Mr. Larsen, Mahlman, Harden, McLain, Stallman, Glover, Thompson, Manager.



◆ The resolve of this year's track squad was to equal the record established last year: First in the Metropolitan, first in the city, and second in the State. The Millers have always been outstanding in this sport and are holders of many state records. This consistent excellence is the direct result of long hours of hard practice, which team members start early in the winter.

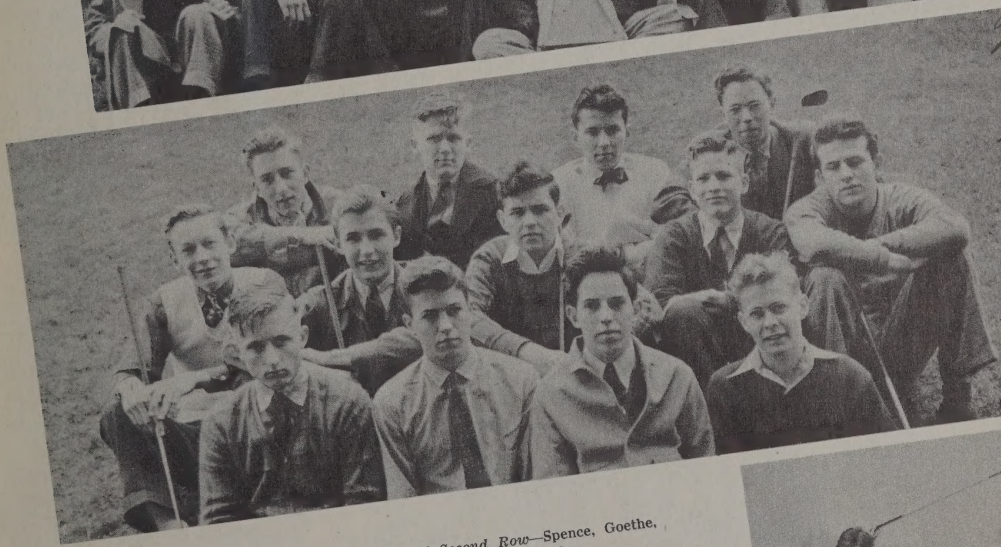
TRACK



TENNIS

◆ Washburn has always had a remarkably good tennis team, and this year's squad gives promise of maintaining the past record. A total of three lettermen, together with some very fine and experienced prospects, will make Washburn one of the favored teams in the city race. Much of the Millers' success is due to the large number of candidates who turn out each year.

◆ *Top Row*—Entzminger, Berg, Hanna, Pfunder, Helm, Adams, Moore. ◆ *Second Row* — Wheaton, Parker, Blum, Hickey, Robinson, Harris, Littman, Mr. Martin. ◆ *Bottom Row*—Weigel, Michalson, Supplee, Peck, Rasmussen, Struble, Arnold.



◆ *Top Row*—Hessian, Jones, Orvis, Sorenson. ◆ *Second Row*—Spence, Goethe, Garske, Hale, Dumas. ◆ *Bottom Row*—Rose, Brandel, Hitchcock, Boe.

◆ After every Spring thaw, one can usually discover Washburn's golfers out on the links getting in condition for their coming schedule. They participate in all of the city tournaments and have established a very fine record for all of these meets. This can be credited to the number of candidates who turn out annually, and to the expert coaching they receive.

◆ G.A.A. BOARD ◆ Friday mornings thirty members meet with the officers and gym teachers to discuss problems and activities of the organization. This board is the executive body of the Girls' Athletic Association, and each member is selected by the officers to have charge of a definite sport. Each tournament is in charge of a member.

◆ CITY-WIDE EMBLEM ◆ A girl may work for a city-wide emblem. To obtain this award she must meet the same qualifications as a "W" wearer and must also earn four hundred additional points, in all, one thousand points. Since not more than two hundred points are given for a sport, an individual must be active in all sports the year around.

◆ GIRLS' "W" WEARERS ◆ Girls must have earned six hundred points and must have maintained a "C" average; must have the approval of gym teachers, girls' counselor, and school principal. Because of the school's policy toward athletics for girls, Washburn's G.A.A. awards more letters than any Minneapolis senior high school.
